

Studio #36: May-ling Martinez
PC Stacy Keck

We are a community-based arts space, focused on providing affordable housing and work space for artists and educators in San Diego.

Events

We create opportunities for the public to engage with multidisciplinary artwork. We keep the arts accessible by offering free admission or suggesting donations on a sliding scale.

1,000+

event attendees annually (and growing)! Six events planned for 2023, with more in the works.

Education

We pay our artists to bring their studio work into classrooms and after-school settings. We provide project-based STEAM (STEM + Arts) education for K-12 students in underserved neighborhoods.

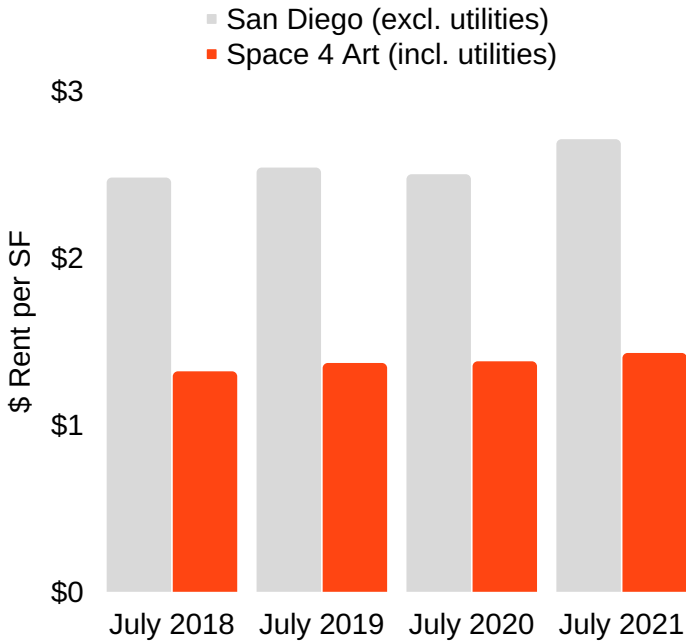

2,500+

student interactions annually with S4A teaching artists.

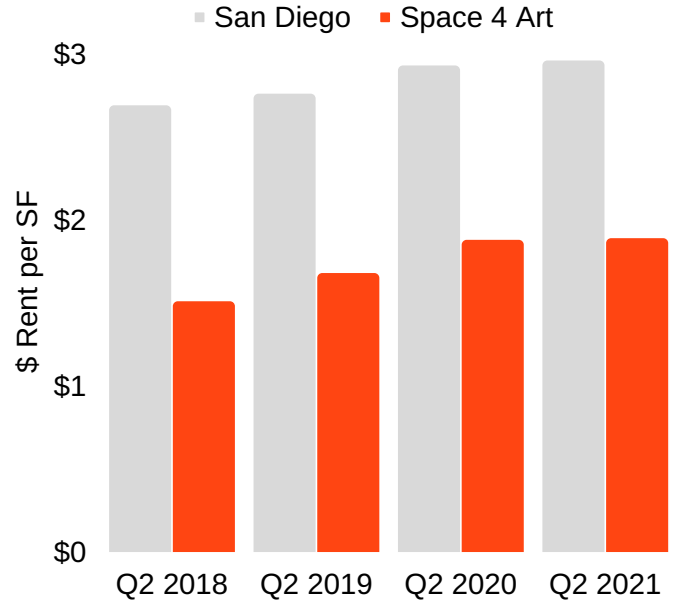

Our Mission

to establish a dynamic creative center where artists live, work, mentor youth, and interact with the community in an innovative and educational environment.
